# FEEDING THE FUTURE OF SOUTHWEST FLORIDA

## Blessings in a Backpack *Feeding The Future Of America*®

There are more than 15-million children in this country who are at risk of hunger. The consequences of hunger are much more than a growling stomach. Poor nutrition can result in a weaker immune system, increased hospitalization, lower IQ, shorter attention spans, and lower academic achievement. Children are fed during the school week by federal government programs, but we want to make sure they're getting nutritional meals over the weekend, too. All funds raised by Blessings in a Backpack stay in our community.

Food is distributed through a network of volunteers and school officials on Fridays before children leave for the weekend. The program serves children grades K-5 within Title 1 Elementary Public Schools. All students served are recipients of the national Free and Reduced Meal/Lunch program, and most recipients are in a household with a single parent or with parents who are classified as working poor.

In SWFL, it's becoming increasingly difficult for parents to feed their children. Inflation, job-loss, and low wages are challenges for many parents.

Students' test scores, reading skills, positive behavior, general health and attendance have improved dramatically as a result of kids getting the nourishment they need.

There are 60,000 elementary students in SWFL who struggle to get the nutrition they need over the weekend.

More than 3,000 students in SWFL receive food on Friday afternoons to get them through the weekend.

## Thank You!

We believe that no child should have to face the weekend — 65 hours — not knowing when he or she will eat next. By supporting this event you are helping make hunger-free weekends a reality for children facing food insecurity.

You can secure your sponsorship and confirm your tournament entry by completing and returning the enclosed sponsor form.

If you have any questions, please contact Travis Merrick at [tmerrick@teamgfa.com](mailto:tmerrick@teamgfa.com)
