## 2019 REAL ESTATE SYMPOSIUM

The annual REIS Symposium will focus on the dynamics of coastal development and redevelopment in Southwest Florida. The fast-paced program will address the unique issues faced on the coast, ranging from rising sea level and regulatory concerns to resilient design and construction, project financing and marketing. In addition to keynote speakers, a panel discussion moderated by former REIS President Sean Ellis will offer first hand insight from builders, developers, real estate experts, and government.

The half-day program is presented in partnership with the Lutgert College of Business at Florida Gulf Coast University (FGCU) and takes place at The Club at Grandezza on September 19th. Details and registration are on the [REIS website](#). AICP credits are pending.

The title sponsor is **Roetzel & Andress. Morris-Depew Associates** and **Busey Bank** are gold sponsors and **LandQwest Commercial Property Management** and **Grandbridge Real Estate Capital** are silver sponsors. A limited number of prime sponsorship opportunities are still available. Contact [Bill Burdette](#), 239.936.1404, to learn how you can be part of this popular event.

## CAPE DEVELOPMENT WORKSHOP

Opportunities for mixed-use and multi-family infill development in South Cape Coral will be explained in a workshop September 12th, presented by Cape Coral Economic Development Office and South Cape Community Redevelopment Agency (CRA). The program will include the Multi-Family Demand Study, new zoning and density benefits, CRA benefits, infrastructure improvements, and potential development sites. Details are at [bizcapecoral.com](#)

## REIS THANKS AUSTIN TURNER

The Real Estate Investment Society expresses gratitude to Austin Turner for his service on the Board of Governors. Austin has departed Southwest Florida and his legal practice to further his education..

## FLOOD INSURANCE REFORM

There are now bills in both houses of Congress that would reauthorize the National Flood Insurance Program (NFIP) for five years. The National Flood Insurance Program Reauthorization Act of 2019 (HR 3167) is in the House of Representatives awaiting a vote. The Act reauthorizes, increases the program's mitigation tools, and updates its mapping scope and technology, among other reforms. The Senate bill includes similar reforms, while also capping annual premium increases at 9% and providing vouchers for low and middle income homeowners. NFIP is currently set to expire September 30th.

## FEDS EXEMPT COMMUNITY BANKS

Five federal financial regulation agencies have adopted a rule that exempts community banks from the Volcker Rule, which restricts banking entities from engaging in proprietary trading and from owning, sponsoring, or having certain relationships with hedge funds or private equity funds. The exemption applies to community banks with \$10 billion or less in consolidated assets.

## PLANNING NEW HIGHWAY ROUTES

The Florida Dept. of Transportation (FDOT) has appointed 3 task forces to determine routes for the new toll roads approved by the Legislature. The first meeting of the groups will be in Tampa on August 27th. Each task force has over 40 members and will focus one of the 3 routes: a new road connecting Collier and Polk Counties; extension of the Florida Turnpike to the Suncoast Parkway; and extension of the Suncoast Parkway to Georgia. The route recommendations from the task forces are due by October 2020 and FDOT will make the final decisions.

The Southwest—Central Florida Connector Task Force will plan the Collier to Polk Counties route. Details, map and roster are posted on the [FDOT Task Force website](#).

## WETLANDS DEVELOPMENT UPDATE

The Florida Dept. of Economic Opportunity issued no comments or objections to the proposed Lee County Plan amendment regarding development of Impacted Wetlands (CPA2019-00001). The Lee County Commissioners expect to conduct another hearing in August to formally adopt the amendment. The amendment may be reviewed on the [Community Development website](#).
